The picture of contemporary European design, ORION's interiors incorporate streamlined furnishings, high-end materials, elegant colour touches and stylish accents that emphasize a feeling of timeless elegance. The yacht's interior main deck area combines a fully equipped galley, designed in

white, with a spacious saloon featuring a comfortable seating area with dark turquoise velvet upholstery and a coffee table convertible into a large dining table for 8 guests.

Displaying an exemplary use of space, generously-sized living areas on board ORION are truly impressive. The yacht features 4 double staterooms with sophisticated interiors dominated by a palette of white and dark blue colours in the starboard hull and a combination of white and turquoise in the portside hull. With natural accents of dark oak wood, the cabins reflect a soothing ambiance, perfect for relaxation after a day filled with charter excitement. Additionally, ORION offers 1 single port forepeak cabin with direct access to the front guest cabin, which is a perfect solution for parents with a child.
